Education

KIET Group of Institutions

Master of Computer Applications (MCA), CGPA: 7.6

Ghaziabad, India

2024 – 2026

School of Management Sciences

Bachelor of Computer Applications (BCA), CGPA: 7.4

Varanasi, India

2021 – 2024

Technical Skills

- **Languages:** JavaScript, Java, Python, SQL
- **Frontend:** React.js, Vite, HTML5, CSS3, Tailwind CSS, Bootstrap
- **Backend:** Node.js, Express.js
- **Databases:** MongoDB, MySQL
- **Cloud & DevOps:** AWS, Docker, GitHub Actions, CI/CD
- **Tools:** Git, GitHub, Redis, Cloudinary, Postman, Vercel, Render
- **Libraries & Services:** Socket.io, Razorpay, Google Gemini AI, Open AI

Projects

Personalized Learning Platform (PLP) ([Live](#))

- Developed an AI-powered LMS supporting Learner, Educator, and Admin workflows using **React.js, Node.js, Express.js, and MongoDB**.
- Integrated **Google Gemini AI** for AI quizzes, study plans, transcripts, and AI tutoring, improving learner engagement by **35%**.
- Implemented secure **JWT authentication**, RBAC, and Razorpay payment integration for paid course enrollment.
- Built real-time live classes and chat functionality using **Socket.io**, reducing communication delay by **20%**.
- Integrated scalable file storage using **AWS S3** and optimized backend APIs with Helmet and rate limiting for improved platform security.

E-Complaint Management System ([Live](#))

- Developed a grievance management platform using **Node.js, Express.js, and MongoDB** with secure REST APIs and JWT authentication.
- Implemented **Redis caching** and optimized MongoDB indexing, reducing API response time by **30%**.
- Integrated **AWS SES** email notifications and enabled Gzip compression to improve backend performance and reliability.

Weather Forecast Application ([Live](#))

- Built a weather forecasting application using external APIs to provide real-time weather updates and forecasts.
- Containerized backend services using **Docker**, improving deployment consistency and development efficiency by **25%**.

Certifications

- **AWS Certified Cloud Practitioner**
- **AWS Academy Graduate - Cloud Foundations**
- **HackerRank Certifications:** Java (Basics), SQL (Basics)

Achievements

- Built and deployed AI-powered full-stack applications with cloud storage, real-time communication, and payment integration.
- Hands-on experience with scalable backend systems, REST API development, authentication workflows, and cloud deployment.
